WE'RE MOVING!!!! That's right, the 2023 edition of the Atlanta Model Figure Show has changed locales! In 2023 the Hilton Hotel, Atlanta Northeast will host our annual event. The new location is at 5993 Peachtree Industrial Blvd., Peachtree Corners, GA.

Yes, we're planning on holding it on February 17-19 2023 at our new location. We are contingency planning for all possible situations so you can rest assured that all necessary health protocols will be in place for the show.

You can see more about it at our [Facebook](#) page. The great news is that it won't cost you any more than last year to become a vendor at what promises to be absolutely the best Atlanta Show. **The fees for Wall Tables are \$60.00 each and Floor Tables are \$55.00 each** This promises to be one of our best shows ever.

*****Please let me know if we can share your attendance with the public through our website and mailings.*****

For vendors, the Show has proven to be a successful venue year after year, and we anticipate that 2022 will be even better than ever. Please consider joining us for this special event on February 17 through February 19, 2023. The particulars are contained in the Vendor Form. As always, please don't hesitate to contact me directly if you have questions. I'm looking forward to seeing you in 2023. **In 2022 the vendor tables sold out quickly**, so timeliness is of the essence. Don't be left out because you waited too long!!

For those who have been vendors at the Atlanta Show before please understand that your payment does not have to come with your confirmation. You've earned my confidence and trust by your timeliness in past years. Payment may be sent any time, however, I do ask that you send payment not later than December 8, 2022 to assure yourselves of the best locations. After that date, I cannot guarantee your reservation. Contact me about special situations.

This year we will be setting up vendors and exhibitors on Friday night (February 17, 2023) as soon as the Vendor rooms are available and letting you do business as you get set up. We also plan to hold the Vendor Room open until 9:00 PM that evening for sales and I will remain for set up as necessary after that. The Show itself will conclude with awards at 11:00 AM on Sunday.

I'm looking forward to another great show on February 17 (Friday evening), 18 (Saturday) and 19 (Sunday), 2023, and hope you can be here to enjoy it with us.
